

## **PICKLEBALL ETIQUETTE**

### **COURT SPECIFIC**

- Pickleball courts are available for reservation through the online booking system. If the reservation is not in the online system, the court is available for play by another member.
- When moving onto the courts, please wait until play has stopped on adjacent courts and then walk around the playing area to get to your court.
- If your ball rolls onto another occupied court, DO NOT chase after it. Please wait for play to stop and ask for it.
- Please try to keep the noise level down both on and off court. Loud conversations can be distracting to players.
- Help keep our courts clean. Only water/sports drinks allowed in the court area. Please consume snacks in the hallway outside the courts.
- Help us keep our courts safe. Large bags, boots, coats etc. need to be stowed in one of our day-use lockers and not carried out onto the catwalk or courts.
